EQUIPMENT & RIDER REQUIREMENTS

It is your responsibility to have your equipment track ready and in safe condition. Your bike must be in safe operating condition. All lights, turnsignals and mirrors must be removed or taped. We suggest you remove the fuses for headlight and taillight. Tires must have at least 60% of tread life left. Your vehicle will be inspected by staff and we reserve the right to refuse any rider or machine due to safety concerns. You are required to wear helmet, gloves, boots with proper ankle protection, and a full riding suit or jacket and pants. Jacket and pants MUST zip together. Only leather or kevlar gear meet the track requirements. Goretex or other textiles are not allowed on the track. You must attend the riders meeting to be allowed on the track.

POLICIES

We have a "Rain or Shine" policy meaning we do not cancel events do to rain or wind. There will be no refunds. To receive a carry-over credit we need to be notified no less than 72 hours before the event. Carry-over credits may only be applied against the next event date. There will be no exceptions! There is a \$50 returned check fee.

WAIVER OF RESPONSIBILITY

I understand that riding a motorcycle is inherently a dangerous activity that could result in property damage, great bodily harm and even death. I accept full responsibility for my actions and will hold neither Pro Italia, Aprilia-Ducati of Oceanside, GP Motorcycles, nor the track organization liable for situations resulting from my participation in this event. I agree to follow instructions given to me by the organizer of the event and race track.

I hereby certify that I have read and understand the above and I have current valid medical insurance
